DEGREES IN 2001

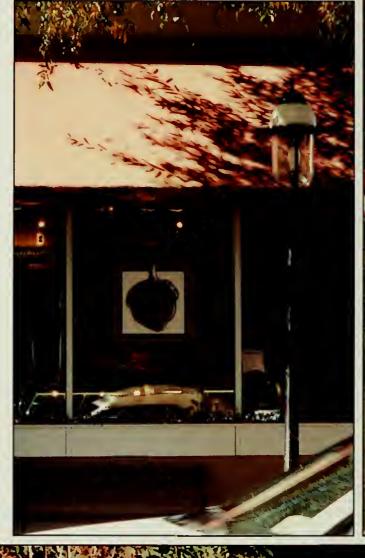

he Elon community proves to be a source of dynamic movement. Elon will never be a school of 1,000 students watching the 'Fighting Christians' play collegiate football in the nearest high school stadium again. Instead, the university is moving to higher planes and offering more to its students. As Elon watches its steps in unknown territory, the students wait for the significant step some fear and some desire. Some wait for students to turn into social security numbers and others wait to be one of the most prominent Southeastern private universities, respectively. Among 123 Southern regional colleges and universities, Elon ranks 9th in U.S. News and World Report: America's Best Colleges. This is Elon's highest rating.

The sentiments are varied by year as well as

attitude. Such key signs of first-year and senior-year students are evident in many situations. Yet, in the transformation of Elon in the past few years and in our infinite future, students of all ages have come together. These students have strived to take each day one at a time and each step-by-step. There's no need to get ahead of our plans; we have all the time in the world. For now, students of every year watch in awe as Elon transforms.

What will come from this step?

"I THINK THE PROFESSORS AND PROGRAMS THAT ELON HAS DEVELOPED WILL GET MORE OF THE

RECOGNITION THEY DESERVE."

hough dyslexia haunted many rowdy students, this passionate participant went to all ends to assure a spot at the hypnotist's program. Spirit was heightened campus wide

meeting your roommate, getting your Phoenix Card, buying books for classes, and waiting in that never ending line at Wal-Mart was the beginning of college life for many freshmen. To help students make the transition to college life, the class of 2005 experienced Welcome Week. Name games, meet and greets, and getting to know fellow classmates were every freshman's first Elon experiences. The first week was full of meetings that involved getting to know each other and getting to know the campus. To kick off the beginning of a fouryear experience, Elon freshmen had Convocation on Saturday, August 25, 2001 under the oaks. Here the class would begin and end its journey. Convocation was one of the many memories students took away from the orientation experience. Freshman Sarah Debock said, "The memory that will stay with me is Convocation. It was a great way to get started!" Many students also found their orientation groups very helpful in making the transition to college life. Freshman Malissa Connors said, "I feel that it did make my transition easier because it kept me extremely busy. Also, my orientation leader helped answer all my questions about college life. "Students did not just have to attend group meetings, but they were provided with a little entertainment as well.

Part of the orientation experience was attending the presentation of "Let's Get It On!" which talked about social issues on campus. Freshman Emilie Lewis said, "Let's Get It On!" was a humorous way of educating incoming freshmen about serious issues in college." In the mist of the commotion of moving in bonds were created among the members of the incoming class.

Into
"The Nest"
ONE VOICE.

igma Chi throws down for yet another 'get together' with the boys. Along with a good time and great grass, Rhodes Stadium also provides a change of scenery for Elon gatherings.

he first thing that comes to mind when thinking of a Phoenix

fan is being loud and full of school spirit. From sports events to homecoming week, Elon students have stepped up and shown their Phoenix pride after years of low spirit. Along with a new stadium, many things within the entire Elon community have sparked school spirit. The opportunity to unite has been made readily available to all students as Elon attempts to keep its cozy atmosphere while transforming into a larger school. The students have noticeably stepped up alongside their new Phoenix mascot to show a greater pride in their school than ever before. No matter what events they attend, enthusiastic students wearing maroon and gold, a homemade cape, or waving their organization's flag can always be seen. Elon's pride draws people to the school and has given this institution an even more The All-Female Cheerleading Squad waves goodbye to the opposing respected reputation that it will hold for years.

team. Elon won 2-3 of it's home football games in 2001.

stadium, a stationary parade, banners, a masquerade ball, a quiz bowl, and tons of energized students? A

tradition of old and new combined-Homecoming.

e Co-ed and All-Female Cheerleaders make their thool spirit contagious to the crowds of Elon fans as iey rush onto the field with the football team.

The 2001 Homecoming Queen: Katie Gosselin

"Kicking off New Traditions" was the theme for this year's Homecoming events and an appropriate one for Elon's first as a university and with an oncampus stadium. The week's event led to the culmination of the football game where the Phoenix battled Georgia Southern on the field in a very close game. One of the many events that students participated in was the Parade. This year's parade was stationary, but despite the surprised reactions students enjoyed the attractions. Freshman Michelle Dowell said, "The parade was a good way to lift our spirits about the Homecoming game on Saturday." The parade was set up between Moseley and Alamance. Students from various organizations competed in the event and united to put on an outstanding presentation. Students also participated in many other events such as the Quiz Bowl and the Masquerade Ball. The Phoenix Fantasy, an event where local businesses set up booths and gave away everything from free hair cuts to free cars, was also a popular event. Freshman Becky Handforth expressed her thoughts on the event. "It was a good way for businesses to show support for the school and a lot of fun for students." On Nov. 10 the Phoenix faced off against the Eagles of Georgia Southern. The game was a close one with the Eagles beating the Phoenix 27 to 21 in the last quarter of the game. A questionable call by a referee resulted in the Phoenix falling to Georgia Southern. Leslie West was disappointed by the call made by the referee. "I was so hyped up the entire game since we were

winning against Georgia Southern. The guys played extremely well and I was so disappointed by the controversial call made by the ref the last minute of the game, which caused the opposing team to score a touchdown and win the game! How upsetting!" Even though the win was taken from the Phoenix, freshman Amanda Workman said, "The football game was great and the team did a great job even if they did not win; they still played really well." During half-time the homecoming queen and king were crowned. Many new traditions were started this year with the school becoming a university and with new changes in homecoming events. The nail biter against Georgia Southern helped to bring out school spirit in students and gave something for alumni to see. Despite the generation gap, alumni and students gathered together to take pride in Elon's progress and make a few more college memories.

Afterdark

ONE BIG PARTY!

LIVE EVERY DAY

ightlife at Elon University consists of many different people, places, and events. Students often enjoy hanging out at the fraternity houses, West End and the Lighthouse, or just relaxing in the dorms and apartments as a main rule of thumb. A number of activities are also planned through Student Life throughout the year to entertain the student population. Concerts, plays, hypnotists, such as Tom Deluca, and comedians, such as Jay Mohr, were just some of the invigorating events scheduled this year.

Whether partying in Greek life, or taking in the atmosphere of off-campus excitement, Elon students show a different side when classes let out.

The stress of academics and organizations lets loose when the weekend arrives. Athletic events, specials at The Zone, and performing arts programs are always an exciting alternative to the routine. Nightly events provide an opportunity for Elon students to come together to have some fun after dark!

The sophomore women show the freshman boys the ropes. Here Maggie and Jodie walk Mar around campus to make plans before the night begins.

Marta Murray and fellow Phi Mu sisters enjoy a quick picture before a formal. Greek events are a popular night time activity around campus.

Road trips are the number one way to get away from Elon for the weekend. Christopher Morley enjoys a beach trip to Wilmington, NC for the Regional Flag Football Championships.

When you go out where do you

go and why?

"WEST END CINEMAS ARE ALWAYS A GOOD OLUTION TO A SLOW WEEKEND."

ampus recreation is a hub of fitness, teamwork, innerstrength, and socialization. Eight varied divisions of

RECREATION

Sophomore Matt Amato warms up before an intramural soccer game. Matt represents one of many participants who end up working in Intramurals.

Campus Rec all help serve the Elon community ina variety of ways. Aquatics has continued to provide quality recreational experiences to every participant through new and innovative programming. The Group Exercise Team has been reshaped by two energetic co-team leaders, in their junior year, that create work-outs choreographed to the participants requests. Every team working under the CR umbrella does their share of making and maintaining a safe environment for the community, but the facilities team has surpassed expectations and stepped up this 2001-2002 year. The facilities team, led by an experienced four-year employee, have become emphatic in their customer service skills, resulting in a more familiar atmosphere for everyone. Yet the Stewart Fitness Center has been the largest renovation to the facility. The Koury Center became

lenn Koch, Team Leader of aquatics, leads the lifeguards in a rowdy pool party. Pool toys are always a favorite for some relaxation.

double the size it was previously and combined both the cardio equipment with the free weights at the end of the year. As the gym expanded so did one of the largest CR programs, the intramural sports. The newly lit intramural fields last year continued to help intramurals boost its participation past previous highs. As the intramurals competed at a fierce level, the intense club sports grew to II, recently adding Ultimate Frisbee. Though off campus Elon Outdoors was rebuilt to a core group of supervisors with new ideas for exciting adventures. As Campus Recreation continues to grow, the campus community looks forward to what it will offer next.

HANDY

Helping

ONE HEART

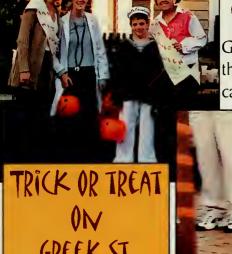

HAND IN

elping others through service activities is something that Elon students do well. There are many organizations and programs oncampus that students take part in such as, Habitat for Humanity, Safe Rides, Crossroads, Boys and

Girls Club, Mis Amigos, S.H.A.R.E, and Toys for Tears. Throughout the year there are also various service events that are popular on campus starting with the blood drives after the September 11th attacks.

The blood drives were a good way for students to be able to contribute to the injured in the attacks. Another on campus event that took place was the Hunger Awareness Week. During this week students fasted for 48 hours to better understand the life of someone living in a less fortunate country. Students also donated canned foods to help the effort. Other service events that took place throughout the year were the White

Ribbon Campaign, the Cystic Fibrosis Walk, take a high school student to college day, and Take Back the Night. Elon Students also try to contribute through service trips. This year many trips were planned on the weekends and there was one planned for winter break as well. All these activities show how Elon students pull together to help their community and others around them. Taking part in these activities not only helps the community but it boosts good moral and it gives students pride in their accomplishments.

The volunteer organization, So Others Might Eat (SOME) recruits many Elon helping hands to aid in their service.

Here a student is saving 3 lives by giving a pint of blood. The annual blood drive is always highly participated in every fall. Yet this fall the participation jumped over 25% from the previous year.

People Arm in Arm ONE STEPTOOGETHER

UNITING IN DIVERSITY DIVERSITY

he Turkey Trot, Habitat for Humanity, and Convocation are just a few events that took place on campus in order to bring various types of students together. Noone would deny the unity that is brought about by running for a cause, building a home, cheering for the home team, or starting a four-year journey together throughout their collegiate experiences. Yet one event that took place in the year of the new millenium not only united our campus, but our country. The terrorist attacks on the World Trade Center on September II, 2001 brought about many uniting campus events. On September 12th, all of the 10:45am classes were cancelled so that Elon students could gather with faculty in the Koury Center where President Leo Lambert led a community meeting about the tragedy. There were also other events that dealt with this tragedy, such as the candlelight vigil, sponsored by SGA. Freshman Kirbey Farley said, "In spite of the tragedy and the grief it caused, Elon students united in love not hate.

While the events of September IIth united the campus, so did community events such as Homecoming football against Georgia Southern. Freshman Jessica Hayden gave her thoughts in the game when she stated, "Since we had been losing most of the season, everyone was really into the Homecoming game. We were all cheering together for our team and when we lost were all let down. My Elon school spirit was born at that game."

Whether it was a one-day jog, a two-hour game, a team effort, or the individual lingering effect of events that change the worked, Elon students participated in many activities that helped to create unity on campus.

In a rapidly changing world, the Y2K generation has seen global differences escalate to wide-spread terror. Yet for Convocation, the Koury Center is decorated with a united front of various nation flags to show that unity it is always possible.

Students show their patriotism by painting the rock in Loy Center after the events of September IIth.

Since Erik Furlan has grown up in Maryland, he admits that one of his major motives for attending school in North Carolina was to get a little touch of the south. He has not been disappointed.

Over the past four years, Erik as participated in a vast number of activities and organizations including the Student Government Association, WSOE radio, ETV, and even as a PA announcer at softball and soccer games.

Another organization lucky enough to have Erik on their team was Phi Psi Cli yearbook. Since his freshman year, Erik's responsibilities to the yearbook have included everything from selling ads to editor of the sports section.

Post graduation, Erik looks forward to a career involving sports and communication.

The women's basketball team is very proud to have such outstanding seniors on their side. Mariam Mcleod plays forward and Janis Hepburn boasts the position of center for this dynamic team. The girls say it is quite an eye opener playing the roles of leaders this year. For inspiration, they look back on previous seniors who they had looked up to. Mariam and Janis are always there to encourage their fellow teammates during games. On and off the court the two girls must have discipline. They must "produce in the classroom as well as on the court." Both girls want to continue their education attend graduate h C 0

Talent is something Elon has a lot of and Nathaniel Moore just adds to it. Nathan is a musical theatre major. He began his freshman year as a lead in "Lend me a Tenor." Other works include: "Crazy for you", "The Chorus Line", "The Secret Garden", and "How to Succeed in Business Without Even Trying." Outside of school productions, Nathan has worked at the Heritage Repitory Theatre in Virginia. Works there include "You're a Good Man Charlie Brown" and "Gipsy."

Nathan also performs in Twisted Measure, an a cappella group on campus. Post graduation, he plans to work in theatres around the country and eventually move to L.A. where he can dive right in.

Where would the Phoenix be without Springfield, Virginia's own, number 74, Scott McLain? Scott joins an elite class by becoming the 39th All-American football player that Elon has produced in its 80-year history. Along with becoming an All-American, the three-year starter has also made his way into the NCAA record books. The sole senior starter helped lead the way to the Phoenix's ranking of 18th amongst 123 NCAA-IAA teams in rushing yardage, averaging an amazing 212.6 yards per game. Aside from his time on the football field, Scott majored in Business and received his bachelor's degree in May.

Kimberly Yeargin and Abbie Donnelly

Kimberly Rei Yeargin May 27, 1980 – July 13, 2001

Abbie Donnelly September 29, 1979-August 20, 2001

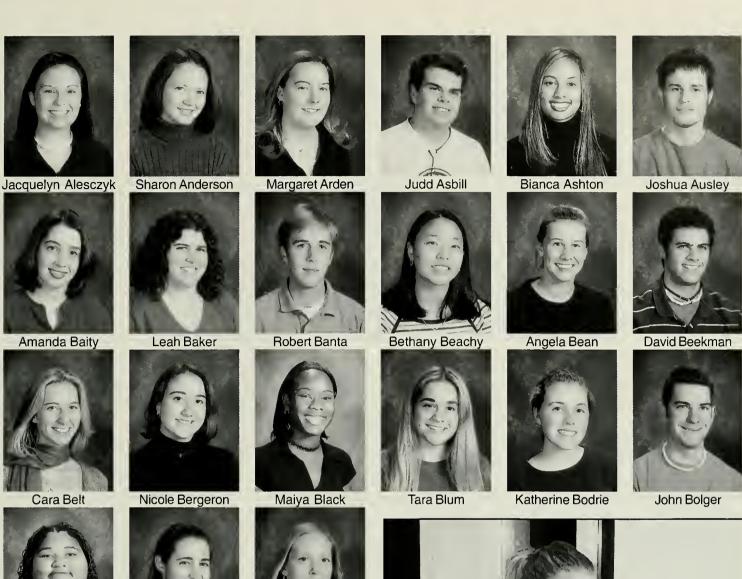

"We give back to you, O God, those whom you gave to us. You did not lose them when you gave them to us, and we do not lose them by their return to you. You have taught us that life is eternal and that love cannot die. Death is only a horizon, and a horizon is only the limit of our sight. Open our eyes to see more clearly, and draw us closer to you that we may know that we are nearer to our loved ones, who are with you. You have told us that you are preparing a place for us: prepare us also for that place – that where you are, we may also be, O dear Lord of life and death."

William Penn, 1644-1718

It's All About UNIversiTY!

Spring Convocation

The Phoenix

College Coffee Rhodes Stadium Dedication

Many special events and traditions continue to serve to bring together the Elon community following the institution's transition to university designation. Students, faculty, and staff show Elon's unity in UNIversITY.

Photo by Felicia Massey

President Lambert, in full graduate regalia, waves at the camera as he walks out of Alumni Gym with Jane Goodall. Goodall spoke to faculty, students, and the Elon community at the Spring Convocation in April.

Biology professor Lisa Carloye laughs with a group of students at the Organization Fair as she helps to man the Biology Club booth.

Photo by Mike Polanis

In memory of...Joel T. Speckhard

associate dean of admissions and financial planning

Deborah D. and Michael W. Smith

March 29, 1946-September 13, 2001

Packing up the dreams of God planted In the fertile soil of you Can't believe the hopes He's granted Means a chapter in your life is through But we'll keep you close as always It won't even seem like you've gone 'Cause our hearts in big and small ways Will keep the love that keeps us strong.

Friends

With the faith and love God's given Springing from the hope we know We will pray the joy you'll live in Is the strength that now you show But we'll keep you close as always It won't even seem you've gone 'Cause our hearts in big and small ways Will keep the love that keeps us strong.

Professors who Care

Four years ago, Janna Anderson made the switch from creating print journalism to teaching print journalism. In her time at Elon, she has had the chance to be involved in the lives of many of the students on campus, both in the classroom as a professor and as the faculty adviser for The Pendulum. Anderson enjoys the chance to work one-on-one with students on a day- to-day basis. Although she was reaching a big audience in her print work, she felt very removed from people; teaching is the opposite for Anderson. Anderson came to Elon because of a vibe she found that is not present on every other campus, and she still feels it to this day. "It doesn't wear off," she said. In addition, Anderson enjoys teaching the students that Elon attracts. "There is a certain type of person who becomes an Elon student," she said. These students are "positive, outgoing people who want to make the world a better place." Anderson feels that she has gone from macro in the print world to micro here at Elon, and it is a good feeling for her.

Teresa "Resa" Walch

Resa Walch cares about more than just teaching; she cares about her students. A health education professor, Walch is also the Elon University Substance Educator. In this position, Walch is in charge of educating students on the dangers of drug use as well as in looking at how drugs and alcohol is wound into the campus curriculum as a whole. When Walch came to Elon five years ago, the position of Substance Educator was new to the school. She decided to stay with Elon because being in a new position was challenging and she was left open to "many possibilities to be part of a new initiative." She felt that alcohol and other drug issues were treated as a community issue on campus and she wanted to become a part of the university's fight to deter them. Walch was also attracted to Elon's sense of community and of course the chance to teach. "I just love teaching," she said. "I love the connection that occurs in a classroom when teachers and students learn from each other."

Dr. Eugene Grimley came to Elon for a number of reasons. He was interested in getting involved in undergraduate teaching and his wife had a rich history of Elon life under her belt. Her parents met on Elon's campus in the 1920s and her father was captain of the football and basketball teams and, later in life, mayor of the Town of Elon. It has been much more than family ties that have kept Dr. Grimley at Elon. Elon has a "strong sense of community," he said. "People care about each other and human values are very important." Dr. Grimley is in love with Elon-and it shows. He has been here 15 years. He is perhaps in love with the Elon student as well. Dr. Grimley considers the typical Elon students as "genuinely good He feels that they have solid human values, respect for others, and are generally warm, caring, and nice. "People tend to come here for these values," he attests. In addition to teaching, Dr. Grimley enjoys his position as department chair for the Chemistry Department. "It's a great chance to work with faculty as they develop," he said. He revels in the opportunity to help faculty members get where they want to go, both in life and in teaching. Dr. Grimley feels the same way about his students.

Eugene Grimley

Jeffrey Pugh

Dr. Jeffrey Pugh feels he is blessed, and he surely is. A professor of religious studies at Elon, Pugh has had the opportunity many never receive to love his work. "I am blessed with a job I look forward to," he said. Pugh has been a professor here for 16 years and originally came to Elon in order to return to the general area where he was raised. Once he got here, the atmosphere of Elon kept him. "It gets under your skin," he said. "It gets to be part of you after a while." Pugh has also stayed at Elon because of the students. He feels that "Elon students are engaged, they're smart, and they enjoy the process of learning." Because of the smaller size of the campus, Pugh also enjoys the opportunity of working one-on-one with students and building mentor relationships with them. Dr. Pugh has written two books during his Elon career and is working on a third one which is expected to be completed in September of 2003. At Elon, Dr. Pugh does more than just teach. He is able to pursue his passions and livelihood all in the same place.

Ten-Year Award Recipients

Chris Fulkerson
Gerald Gibson
Vicki Hightower
Michael Hudson Jr.
Kathy Lyday-Lee
Carol Pace
Cheryl Ward Whitesell

Thirty-Year Award Recipient

William Morningstar

Kevin Boyle was honored at the Daniels-Danieley Award Luncheon for his ten years of service to the Elon family. Like many professors on Elon's campus, Boyle cites his reasons for staying at the school as freedom. "I am lucky to have a job that allows me to follow my passions," he said. Boyle's passions include reading, writing, and performing. He also considers himself lucky because it is few professors that have the chance to focus their teaching skills on creative writing alone. As a creative writing professor, he gets to practice all three of his passions daily because "teaching is sort of like a performance."

Photo by Ashley Regan

Bill Morningstar takes a moment to show off his plaque in recognition of his 30 years on board at Elon University. When asked why Morningstar has taught for the Athletics Department for so long, he responded, "Elon University has been my life for 34 years." In addition to being a coach and a professor at the school, Morningstar attended Elon from 1960–1964 on a basketball scholarship. Morningstar enjoyed his time as a student here and considers his job as more of a fun break than as work. He claims that this campus is "one of the friendliest places on earth."

Chris Wilson (below) and Anthony Weston (right) both received honors at the Awards Luncheon. Wilson was recognized for his studies in the New Testament and his numerous publications. Weston's honors fell to his creative and fresh approach to teaching students in the classroom.

The Daniels-Danieley Awards Luncheon was held on May 15. The annual luncheon recognizes faculty and staff who have been in the Elon family from five years to 35 years. Faculty and staff are recognized on a five-year increment and are given awards for 10, 20, and 30 years of service to the university. In addition to these awards, the luncheon recognizes a faculty member who has been deemed by the Elon community and by the larger community as an excellent scholar. This award is titled the Distinguished Scholar Award and this year the honor went to Chris Wilson, a professor in the Religious Studies Department. The Daniels-Danieley Award for Excellence in Teaching was also presented at the event. This year the award went to Anthony Weston, professor of philosophy.

Award Winning Faculty & Staff

Two spirited Phoenix fans (below left) cheer on the team at one of the home football games in Rhodes Stadium. Now that Elon has its own football stadium, faculty and students have much more of an opportunity to mingle. Working on campus is another great chance for faculty and staff to mingle with students. These students (below right) are all office assistants, directors, or coordinators of the Center for Leadership and Organization Development and are pictured with Administrative Assistant Felicia Massey and S.A.M. (stuffed referee puppet). S.A.M. was

the Student Assistant Motivator for spring semester and brought weekly challenges to the students to keep their leadership skills top notch. S.A.M. originated as a mere suspenseful inspiration at the spring assistant meeting.

Carmen Phillips looks on as Professor Haworth helps her on a math homework assignment. Class sizes at Elon are kept small for the purpose of giving more time to help students with questions.

Interaction

not taken

Lightly

Faculty and staff working with, participating with, and hanging out with students.

Dr. Earl Danieley (above), former president of Elon, talks to a student at the Organization Fair. Dr. Danieley chooses to stay involved in the school by teaching a few classes and participating in campus events. Like many faculty and staff, his office door is always open.

Bettina Brown and Sylvia Munoz help promote el Centro De Espanol table under the study abroad tent at the Organization fair. Along with students, faculty told interested students about the advantages of studying abroad and participating in the many other opportunities the Isabella Cannon Centre for International Studies offers.

2002 Staff Appreciation Day

And the winners are...

Staff celebrated with a concert by a Grammy-winning group and presentation of the annual Staff Member of the Year awards. Details...

"Staff Day's Greatest Hits" was the theme of this year's celebration for staff day, held May 29.

The day began with a variety of popular programs led by staff members, including line dancing, flower arranging, bingo, plumbing repair, Cajun cooking and pottery. Staff then packed Whitley Auditorium to hear this year's surprise keynote speaker — the Fairfield Four. The Grammy-winning group (featured on the "Oh Brother, Where Art Thou?" CD) gave a lively hour-long concert of their spiritual music.

After lunch in Harden Dining Hall, staff attended the annual awards program. Fred Boone, Valerie Cheek and Janet Cooper were recognized for 10 years of service to Elon, and Jane Ferrell was presented with a retirement award.

After the popular Staff Day video, President Leo M. Lambert announced the winners of the 2001–02 Staff Member of the Year awards.

Stanley Greeson (above) was the winner of the Physical Plant Staff Member of the Year Award.

Edie Alexander (above) received the Office Staff Member of the Year Award.

Jana Lynn Patterson (right) was presented with the Administrative Staff Member of the Year Award by President Leo M. Lambert.

Turning 21: Coming of Age at Elon

Over the past four and a half years, Elon has celebrated the 21st birthday of over 750 juniors and seniors. This program is sponsored by the Religious Life program at Elon and is held twice a semester. As each student turns 21, they are invited to a dinner and encouraged to bring a faculty or staff mentor. The goal of the dinner is to help students fully accept their new adult status in life. The faculty members are encouraged to talk to the student after the dinner and provide words of wisdom to help the student in their future journeys. The night ends Religious Life with a toast and the words, "The best is yet to be."

Graphic and information courtesy

Faculty & Student Odds and Ends

2002 masters and undergraduate students prepare to enter the Alumni Gym for Spring Convocation. In addition to honoring graduating seniors, the event also honors students who have made the Dean's List or President's List in the previous semester. Faculty enjoy the chance to dress in graduation regalia and be honored in a processional. Convocation is a great way for the faculty and student population of the school to come together and enjoy a renowned speaker like Jane Goodall.

Photos by Felicia Massey

Townsend work on a biology assignment together while enjoying an afternoon in the spring sunshine. During the early fall and spring months, the campus's grassy fields are spotted with students working on various assignments.

lenn Coleman and Katie

Photo by Ashley Regan

Where do you do your Homework?

Photo by Ashley Regan

Belk Library (left) is perhaps the most popular place on campus for students to study. With three floors and a vast supply of computers and comfortable chairs, one can nearly always find a quiet spot to get work done. Donnie Wickline (above) takes advantage of the quiet as he studies for a final exam.

Heather Conlon and Jen Quast study for a Critical Thinking test in the Fireplace Lounge in Moseley. Areas such as Moseley Center and the Acorn Coffee Shop prove to be great study locations for students because of the easy access to food and their accessibility for group study sessions.

Photo by Ashley Regan

Shean Karroll works on his video project in the McEwen editing labs. The communication building offers students 13 labs on the basement floor. Each lab is equipped with a computer and a television, along with various editing equipment. Labs remain accessible, unless you wait till the last minute. They can get pretty hectic during exam weeks.

Classmates often take advantage of the computer space in the library to work together on a project. Many students who do not have computers on campus utilize the ones in Belk. Other popular places to study on campus include dorm rooms, the Acorn Coffee Shop and Elon's numerous computer labs and classrooms.

lon's Fire of the Carolinas

Elon Marching Band

Copy by Allison Grimes

As it transformed from a college to a university, Elon has seen major changes. The school was proud to announce the return of the Elon marching band in over 19 years, now

called the Fire of the brass, and percussion are The Elon marching band disappear in 1982. They Carolinas" and were the early 80's the band members either graduated When asked why the Show band director Bill

Carolinas. This group of woodwinds, led by band director Bill Delournett. was started in 1962 but seemed to called themselves "Show Band of the star attraction of half time. But in the evaporated as many of the band off the squad or had lack of interest. Band of the Carolinas called it quits?, DeJournett responded, "It was the

lack of interest and the style the band used for games and competitions." Today the band is

back in full force and ready to give marching another shot.

photo by Brian Viebranz

Elon band students devote three days a week to practice. These students give up many Saturdays to travel with the football team so they can promote spirit among the fans and team.

(Right) The brass section plays it up as they practice on the athlectic field on a Monday evening just before sundown.

photo by Brian Viebranz

(Left) This group of students worked hard to entertain hundreds of football fans. Not only do they perform at games but at exhibition shows like the Western Alamance High School Show. The Fire of the Carolinas has been an inspiration to all that are given the opportunity to listen to the music that is played in the football stadium. The Elon band's purpose is "to be the center of game-day spirit in support of the Phoenix football team, while endeavoring to enjoy a worthwhile activity to a high degree of excellence. The Elon marching band performs intricate drill in classic style." The Fire of the Carolinas is truly committed to entertaining students. faculty and the community through music.

(Below) In the Georgia. Southern game vs.

the marching band was excellent and exciting during halftime. Alumni, faculty, staff and students couldn't leave their seats. The spectacular show was creative as band members scrambled around the field to form an E. Which stood for Elon and Excellence.

photo by Byan Stempka

photo by Byan Stempka

(Left) The band was able to play in the brand new stadium that was opened and dedicated in the fall of 2001. The Fire of the Carolinas were the first band to play in the stadium. The band and color guard were all decked out in burgundy and white as they marched through Rhodes Stadium for the first time ever in Elon history.

Math professor Richard Haworth educates student Crystal Honeycutt on how math can be used in everyday life. In Dr. Haworth's class, he lectures on how everyday people use math to take different routes to deliver items like papers or mail.

Wesley Langford helps a fellow science student on his paper on environmental science. Science also helps non-science majors to practice their writing skills.

Check Out These Numbers

Elon Reaches Top 10 in U.S. News Rankings U.S. News & World Report ranks Elon University #9 among 130 Southern universities in the 2002 America's Best Colleges guide. This is Elon's highest ranking ever, and positions Elon as the top-ranked North Carolina university in the regional category for master's level institutions.

Elon has experienced a dramatic rise in U.S. News rankings since 1996, when it was ranked 39th. Last year's ranking was #11.

The Best Universities - Master's ranking in the 12-state southern region are as follows:

- 1. University of Richmond (Va.)
- 2. James Madison University (Va.)
- (tie) Rollins College (Fla.)
- 4. Stetson University (Fla.)
- 5. Samford University (Ala.)
- 6. The Citadel (S.C.)
- (tie) Loyola University New Orleans (La.)
- 8. Mercer University (Ga.)
- 9. Elon University
- 10. Centenary College of Louisiana
- (tie) Meredith College (N.C.)
- 12. Appalachian State University (N.C.)
- (tie) Wheeling Jesuit University (W.Va.)
- 14. Converse College (S.C.)
- 15. Spring Hill College (Ala.)

very thing adds up

Math and Science

Copy by Allison Grimes

Math is everywhere. It's incorporated into everything from how your car works to the proper route you take to get to class on time. Elon is affected but math not only in Duke and McMichael buildings but to the train tracks to the football stadium as well. Math

students learn the everyday Nature of Mathematics. In make the most of their time you to get to classes by science department, anatomy They are taught the parts of the gruesome body parts Cain who took Anatomy says, times I got a little queasy but

use of mathematics in class like this class, students learn how to by shortening the time it takes having a route to follow. In the students are faced with corpses. the body and are able to witness face-to-face. Freshman, Natalie "At times it was interesting, at I have to get over it if I want to

be a doctor, right?" Science and math helps us to understand how much everything has a purpose and how things add up perfectly together.

(Above) Students taking a lab course have a hard time sometimes. Many times in lab you have to work not just with your mind but with your hands as well.

(Left) Dr. Greg Haenel and student Jennifer Coleman work on their Lizard DNA research project. This project includes taking lizards DNA to determine the success rate of lowering the amount of deceased lizards every year.

ew experiences, studying abroad

Copy by Kim Hayes

While the year began with students and professors alike excited for their upcoming study abroad trips, excitement turned to apprehension with the unforeseen attacks of

September 11. Those were now unsure of their preparing for winter term questioning their decision to that this was not the year for the empty spots with the improve. Although some out of the country this year, interfere with their hopes of

already away for the fall semester safety while overseas, and those and spring semester trips began leave. Some students decided them to travel, while others filled hope that conditions would were not comfortable in traveling others refused to let terrorism traveling to a new country and

interfere with their hopes of photo provided by Isabella Cannon Center traveling to a new country and fulfilling their dreams. No study abroad trips were cancelled and all students were able to have safe trips, each student returned home excited to tell others about their adventures.

photo provided by Isabella Cannon Center

(Above) Students who traveled abroad were able to witness breathtaking scenes, giving them time and inspiration to reflect on their own lives. Others were able to see first hand interesting cultural landmarks such as century-old castles and churches.

(Right) Sara Cullen was given the opportunity to experience the mountains of Sweden. On her semester visit, she was able to take a number of classes at the University of Orebro. She was also able to try on some really big clogs!

photo provided by Isabella Cannon Center

These girls, anxious to study Aborigines in Australia, went through with their trip and were able to experience a new culture, receive course credit, and return home safely.

The most popular study abroad opportunity for students is during Elon's winter term. Students are able to learn as much as possible within the short month that they are abroad. Winter term trips include the study of fine arts or the roots of Western civilization in Italy, film or Aborigines in Australia, or evolutionary biology in the Galapagos Islands. Another option for students is to study abroad for a whole semester. Students who stay for a longer time are able to completely immerse themselves into a culture, rather than just experiencing it as in winter term. Fall and spring semester study abroad options usually consist of students attending a university in another country, such as Curtin University in Australia or Universidad de Buenos Aires in Argentina.

photo provided by Isabella Cannon Center

photo provided by Isabella Cannon Center

One way students were able to fulfill a general studies requirement was to travel to Europe to learn about World War II. To the students above, this had a great advantage over sitting in a classroom listening to a lecture. During this trip to the left, students were able to visit the Imperial War Museum in London, walk the beaches of Normandy, and even hear from a Holocaust survivor who lived in Prague during the war. The first hand recreation of World War II had much more impact on students than reading about it from a textbook.

photo by Laura Williams

photo by Laura Williams

Students at Elon have an opportunity to express themselves through art and media. Above students during winter term learn more about the digital revolution through digital art. This class allowed students to explore a new kind of art using computers and new technology.

Many students have been able to stretch their legs in the media aspect of the school. To the right is Elon's very own studio. Here students tape live shows that air on the campus TV channel, Elon Television. Student-produced shows like Win Stuff, University, Studio E, and The Phoenix Report can be seen on the campus TV channel.

(Above) At the fall concert the Gospel Choir had an outstanding time ministering the Word of God through song. When asked what it's like to be in Gospel Choir, freshman Chandra Hicks said, "I love singing for God and giving him total praise. We have a lot of fun in rehearsal as well." The Gospel Choir this year went on tour to New Orleans where they filled churches with their heaven-sent voices.

FOOTBALL Reuniting team and campus by Erik Furlan

The beginning of the "university" era of Phoenix football can be classified as a season of opposites.

On the positive side, Rhodes Stadium opened, vet, it opened with a loss and was delayed one week because of the events of September 11.

Playing the most difficult Division I-AA schedule in the nation. Elon was looking for big things -- new stadium, new era, new attitude.

The young team struggled, losing their first before three games

snagging victory number one against Gardner-Webb on Family Weekend.

Three nationally-ranked 1-AA opponents followed on the schedule, and Elon fell to a 1-6 record.

The Phoenix returned to the friendly confines of Rhodes Stadium for the first-ever night game, and defeated the Bucs from CSU for their second victory.

After a shoot-out loss to Samford. Elon hosted twotime defending Division I-AA national champion Georgia Southern. The

homecoming crowd started to believe the unbelievable, with Elon leading for most of the game, 21-13 at halftime. GSU pulled to within two points of the Phoenix and used a late drive

marked by Elon penalties to take the win.

Elon closed out the season at Youngstown State University.

Penguins had their thirdbest offensive day in school history with 609 net yards in a 45-7 win over the Phoenix.

Opening day at Rhodes Stadium. The Phoenix defense, including Quinton Cox (33), gang-tackle the ball carrier for NC A&T State University. The Aggies had the honor of being Elon's first opponent in Rhodes Stadium, the original opening delayed when the September 15th game was cancelled after the events of September 11th. NC A&T handed the Phoenix a rather unusual house-warming present, a 23-7 loss.

'Here Comes Elon!" Under a clear, Carolina-blue sky, the Phoenix football team takes the field for the first time. McKinnon Field at Rhodes Stadium, Elon's new on-campus football venue, opened to rave reviews during the 2001 Inaugural Season. Playing to packed houses, Elon had the support of many "Phoenix Phaithful" all season. At season's end, junior offensive lineman Josh Rowan and junior punt returner Arketa Banks garnered First Team All-Independent honors. Senior offensive lineman Scott McLain received econd Team honors.

Homecoming 2001 brought two-time defending NCAA I-AA national champion Georgia uthern to the friendly confines of Rhodes Stadium. Here, the Elon wishbone offense, h Larrey Burney (12) at the helm, work on moving the ball down the field against the gles defense. After a disappointing 2-9 season, the strong play against the Eagles is mething the Phoenix can look back on as a positive. Another positive for Elon is the ming of Scott McLain, senior right guard, as a First Team NCAA I-AA All-American for 2001 campaign. This backs up McLain's Third Team selection in 2000.

Two "Phoenix Phanatics" watch the goal-line action in earnest during the Phoenix-Georgia Southern Homecoming game. Backed up deep in their own territory, Elon is forced to punt, trying to lengthen the field as much as possible for the Eagles. The Phoenix struggled during the season, finishing 2-9 overall. Elon did have the toughest Division I-AA schedule in the nation for the third consecutive year, showing they aren't afraid to take on the powerhouses of I-AA football. Six out of the 11 games were against nationally ranked opponents.

"United we stand, united we fall"

"United we stand, united we fall."

This was the motto of 2001 Phoenix Women's Soccer team, and it could not have been more appropriate.

The team would have to stand as one during entire season, overcoming injuries and difficult losses as well as withstanding pressure of defending their position as one of the premier soccer programs in the Big South Conference.

Women's soccer held another "first" honor this season. They were the first team to play a regular season home game as Elon University, just as they had been the first to play as the Phoenix.

The squad struggled early against nonconference competition, dropping its first four games before picking up its first win on the road against Wofford.

Elon was great when it counted, against Big opponents. Women's soccer was 4-0 in the Big South at Fall Break and 5-6 overall.

The Phoenix faltered in the late stages of the season, dropping its first Conference game, a 3-0 loss at Liberty, followed by a 2-1 loss to future Big South Conference opponent Birmingham-Southern College.

The Elon women bounced back quickly, taking victories from Jacksonville University and Gardner-Webb University.

The Phoenix claimed Big South Conference regular season championship with a 4-0 win over the Lady Chanticleers of Coastal Carolina. Seniors Mackenzie Sisson and Marissa Venuti made the most of their last home game, with the pair accounting for two goals and three assists for Elon.

As the number one seed in the Big South Conference Tournament, the Phoenix received a firstround bye. They needed a shoot-out to get past Coastal Carolina University Lady Chants to move on to the championship game.

In the finals, for the third straight year, Elon faced Liberty. The Lady Flames downed the Phoenix for the second straight year, taking the championship with a 2-0 win.

Season honors for the squad included Big South Coach of the Year for head coach Paul Webster, Marlo Wooden, Venuti, Sisson and Jessica Mills earned First Team All-Big South. Earlier in the season, freshman goalkeeper Kara Zagol was named Player of the Week.

(Above) Sophomore Kate Schabo follows the action at mid-field during late season action against the Jacksonville University Dolphins. Schabo played nearly the entire season with a cast from her right hand fingers to her elbow.

(Right) Kristen Wizzard settles the ball as teammate Marlo Wooden looks on. Strong play on the field netted the Phoenix their second consecutive Big South regular season title. Wizzard, Wooden and teammate Jessica Mills were selected to the all-tournament team after their third-straight championship game appearance

elow) The action is fast and furious in front of the Jacksonville net as the Phoenix eatens, among them Erin Gaeng (7) and Natalie Sampson (15). This time down, the ball is just above the crossbar. Elon would take this late season, non-conference game ainst the Dolphins, 2-1. Among other season highlights was a Halloween afternoon the against the Runnin's Bulldogs of Gardner-Webb University. The Phoenix pitched a att-out in that match, winning 2-0. GWU had outscored their opponents 22-1 in their evious four matches. Honors continued to come in for the Phoenix. The 8-11 Big the regular season championship squad of 2000 received the College Team Academic yard. The honor is awarded by the National Soccer Coaches Association of America, d this marked the fourth-straight year Elon received the award. The 2000 team sported 14 GPA for the 2000-2001 academic year.

(Above) The old and the new. Senior defender Emily Gibson (17) and freshman forward Erin Gaeng (7) eagerly wait on the sideline before substituting into the match. Teamwork was a primary focus for the Phoenix all season long as embodied in their motto "United we stand, united we fall," Elon worked hard throughout the 2001 season to develop and maintain a team mentality with success or failure not being attributed to only one person or a few individuals. Win or lose, high or low, there was only one Phoenix.

Phoenix Men's Soccer was looking to prove last year wasn't a fluke.

Doing that turned out to be a difficult task early on for the squad. Four straight losses to start the season had the Phoenix in an early hole.

The men's team snagged their first victory of the season against the Terriers from Wofford at Rudd Field. Interestingly, the women accomplished the same feat, scoring their first win at Wofford.

Elon did make a push, snagging win number two three games later against the UNC-Wilmington Seahawks. The Phoenix would close out October in grand fashion, reeling off four straight wins to climb to a 6-8 record before Halloween, 2-3 in the Big South Conference.

At the Carolina Youth Development Classic Tournament, Elonsplitits two tournament games before heading back to Rudd Field for a pair of Big South Conference matches,

The Phoenix took a close 1-0 win over the Bulldogs from UNC Asheville. That win would end up being the last of the season for Elon.

In the home season finale, the Phoenix dropped a hotlycontested double-overtime game to the Charleston Southern Bucs. Elon closed out the season by heading back south of the border to battle the Gamecocks from the University of South Carolina, a contest they would lose by a score of 5-1.

The Phoenix headed into the Big South tournament as the sixth seed, looking to stop a two-game losing streak. Their opponent was third-seeded Winthrop. The Eagles avenged a 1-0 loss at Rudd Field back in October and knocked Elon out of the Big South tournament with a 2-0 win.

Senior forward Robert Latimer and junior defender Devin McCarron were honored with Second Team All-Big South distinction at the conference awards banquet at the end of the season.

1st row. Brian Scheall, Marcus Lages 2nd row: Stuart Reid, Ryan Carrol, Stephen Hockman, Jason Diebler, Steven Aparicio, Mason Oatey, Devin McCarron, Robert Latimer, Kevin Johnson 3rd row: Casey Allen, Asst. Coach Paul Leese, Jonathan Leese, Chad Heinicke, Ryan Murphy, Kyle Edwards, Brandon Hayes, Paul Reuter, Paul Bellacqua, Brent Sweatman, Brent McDowell, Jared Rudolph, Kyle Ostendorf, Head Coach Mike Reilly

ght) Senior forward Robert Latimer (10) gets ready to attack while his teammate Brandon yes (8) waits to help. Latimer proved to be a dominant force for the Phoenix all year 1g, finishing the season with a team-high seven goals. Latimer also had two assists on the 1r for a total of 16 points. His two game-winning goals also led the men's soccer team is season. For the season, Latimer garnered Second Team All-Big South honors.

elow) Numbers two and 20 versus numbers two and 20. Freshman Steven Aparicio and nior Marcus Lages (20) team up to settle the ball and keep it away from the opposition. ancio and Lages helped the Phoenix down Big South Conference leader UNC Asheville Rudd Field 1-0. That win was part of a streak of six wins in seven games after starting a season 2-8. During the late-season surge, Elon allowed only two goals. The men's team enged last year's 3-0 loss to the Bulldogs in Asheville, tying the all-time series 5-5.

Photo by Brian Viebranz

(Above) In a symbol of unity, the men's soccer squad huddles together to collect their thoughts prior to the start of the game. The Phoenix enjoyed playing at the friendly confines of Rudd Field, netting a 6-2 record for the season when playing in front of the home crowd. Half of those home-field wins would come against Big South competition.

(Left) Ryan Murphy (15), Devin McCarron (16), Marcus Lages (20) and Chad Heinicke (3) head out to take their positions prior to the game. McCarron helped anchor the backline for Elon this season. He would help lead the Phoenix over their last nine contests to outscore their opponents 18-10, including four shutouts. McCarron garnered both Second Team All-Big South honors as well as Big South All-Academic Team honors for the 2001 season.

The Perfect Definition of Unity

by Erik Furlan

Volleyball season turned out to be one of streaks.

Going 2-2 in the Hampton tournament, Elon reeled off three straight wins, two in the Virginia Commonwealth Tournament, climbing to a 6-5 record.

For the beginning of the fall season, volleyball was the best team record-wise in Phoenix Athletics. In fact, the volleyball

The 2001 Phoenix squad was the only fall team to have a winning record.

> Then the bottom fell out on the rest of the season.

> Having already lost senior Sarah Anthony to injury, the Phoenix was dealt another blow in their 0 - 3loss to Winthrop. Elon lost their only other senior, Robyn West, to a knee injury. She was out for the rest of the year.

An 18-game skid followed, 12 against Big South teams, to drop the Phoenix to 6-23 overall (1-13 in the Big South) for the regular season.

In the midst of the losing streak, Phoenix lost junior Laura Griffin to a wrist injury, which only made a bad situation worse.

A 1-13 conference record would get Elon the eighth seed in the Big South Tournament. Their opponent was the number one-seeded Highlanders, who had a perfect regular-season conference record.

After dropping the

first game of the match, the Phoenix used five unanswered points to open up a lead they did not give up to even the match 1-1.

Elon jumped out to a 6-2 lead in game three, only to fall to Radford 30-22. In the final game, the Highlanders used an 8-0 run with the Phoenix leading 17-15 to take the match 1-

Junior outside hitter Laura Griffin earned Big South All-Academic Team honors despite missing the final few weeks of the season due to injury.

GROSS GOUNTRY United in the drive to finish

by Erik Furlan

What can be said about Phoenix Cross Country?

They don't draw the national prestige for the institution like football and basketball; they don't have the place in culture our baseball enjoys; and they technically don't even have an oncampus venue where they compete.

Yet, the men and women squads press on, running a race of their own. Some could argue that this is the true of beauty sport, competition for the sake of competition; in this case, running because you enjoy it and you are good at it.

The men's team had

an up and down season, with strong showings in the Elon-High Point and Greensboro Invitationals and the Disney Classic.

The women's season was highlighted by back-to-back 7th place finishes in Greensboro Invitational and the Disney Classic.

In the Big South Championships, both Elon teams continued their strong runs: the men's team placing 4th and the women's team placing 6th.

Phoenix runner Brett Willi took Big South Rookie-of-the-year honors.

In the Southeastern Regionals, both Phoenix squads ran strong, but struggled in the large

regional fields.

The 9/21 men's 10/06 t e a m 10/13 finished 11/10 back in

the pack, but midway between fellow Big South schools, finishing ahead of the UNC Asheville Bulldogs, the Carolina Coastal Chanticleers and the Bucs from Charleston Southern University.

9/08

9/29

10/27

The women's squad finished back in the pack as well, behind fellow Big South school the Coastal Carolina Lady Chants, Liberty Lady Flames and UNC Asheville. The Phoenix placed ahead of the Panthers from High

ow) Vanessa Kitchen pounds and pushes her way to the finish line. Kitchen a consistent runner for the women's cross country squad this season. She ned the year with a 27th place run in the Elon-High Point Invitational. During course of the year, she helped steer the Phoenix to a pair of seventh place hes in the Greensboro Invitational and the Disney Classic. After the season, placed a runner on the Big South All-Academic team, sophomore Erin Wallace. tom) The field breaks from the starting line, knowing the course still lies ahead. ng, consistency and endurance are all keys to cross country success.

(Below) Phoenix runners (1-r) Brian Conley, Geoff Weatherbie, Justin Herman, Jeff Trauring and Brian Zent go stride-for-stride with their competition during one of their seven events of the season. The men's squad had a modest season, highlighted by the strong performance of freshman runner Brett Willi. Willi was the top individual finisher for Elon four times and garnered Big South Rookie of the Year honors. Jeff Trauring was named to the Big South All-Academic Team for the Phoenix men.

(Bottom) Kari Burger pushes for the finish line. Burger was a consistent runner for Elon all year, placing in every event and leading Elon at the Big South Championships.

WEN'S BASKETBALL United into the era of eligibility by Erik Furlan

There was something different in the air this season for Phoenix Men's Basketball -- the chance for post-season play.

Having served the mandatory NCAA waiting period, Elon was now eligible for Big South postseason play in men's basketball.

The season at the "Nest" started off with a bang -- an overtime win against regional foe NC A&T.

The Phoenix closed out the 2001 portion of the schedule with only three

more home games, finishing the year 4-8.

The new year brought conference play, games that now had a whole new meaning.

Elon opened up 2002 in style, reeling off threestraight Big South wins before falling to the Winthrop Eagles.

The Phoenix had an upand-down January, dropping contests at UNC Asheville and High Point, while sweeping the season series against Liberty.

The second trip through

the conference

February, and Elon started the month off with a pair of wins against future Big South conference opponent Birmingham-Southern and Winthrop.

The Phoenix stumbled late in the season, dropping four straight Big South games. Elon ended the season on a high note, taking a victory against the Panthers from High Point in their second televised game from the "Nest."

It was then off to Roanoke and the Conference Tournament. Fifth-seeded Elon made the most of their first appearance, winning their first-ever post season game, a match-up agains fourth seed Charlestor Southern.

Three-time defending champion Winthrop stood in Elon's way of a trip to the finals. The Phoenix would fall to the eventual champs

Season honors for Elor highlighted the inaugura eligibility season. Senio Brendon Rowell garnered First Team All Conference honors. Junior Ross Sims received All Academic Tean honors. Freshman Jackson Atoyebi was named to the Big South Al Rookie Team.

Coach Jonathan Tsipis Not Shown: David Stoughton

(Left) Junior Chris Adams (#34) makes a play for the ball while the "Phoenix Phaithful" look on at the "Nest." A 51% free-throw shooter, averaging four points and four rebounds per game, Adams was a solid presence for Elon. Adams saw action in 29 contests during the season, and led the team in defensive rebounds, averaging just under three per game. (Below) Redshirt freshman Gary Marsh (#21) fights for the opening tip as the action gets underway in the "Nest." Marsh was the second highest scorer on the squad this year, averaging 10.3 points per game. He was only outpaced by senior Brendon Rowell, who averaged 13.9 ppg. Yet, Marsh led the team overall in rebounds for the season, averaging five per game. Marsh averaged 22 minutes per game and started in 28 of his 29 appearances, and will look to build on that in the coming seasons.

WOMEN'S BASKETBALL United in pursuit of a title

by Erik Furlan

Head Coach Brenda Paul and company were on a mission this season: the Phoenix were looking to capture the Big South crown after finishing second one year ago.

Women's basketball started the season barnstorming the country. Elon played only one home game from November 16 through January 9.

The Phoenix won their only home game of 2001, along with three in

Phoenix women would be in year.

went hot-and-cold to close out the season. Phoenix fell to the Lady Bucs from Charleston Southern and the Liberty Lady Flames. sandwiched in between those two losses were three straight wins, including two in the Big South.

Elon wrapped regular season play with a split homestand. The season ended on a low note for the Phoenix, a 77-64 loss to High Point, the only loss at Alumni Gym for the Elon women all season.

The second seed and Roanoke awaited Elon, and expectations were high. Many looked for a repeat of last year's final between Liberty and the Phoenix.

In a crushing end to a great season, Elon was upset by seventh-seeded upstart Coastal Carolina.

Elon raked in season awards from the Big South for the efforts all year. Jayme Chikos garnered Second Team All Big South honors, and Milica Milosavljevic received Big South All Academic Team recognition. Sophomore Holly Andrews took home the top honor, Big South Player of the Year, Andrews is only the second Elon player to receive that honor.

WOMEN'S INDOOR TRACK United in competition by Erik Furlan

Women's Indoor Track, only in its second season as a member of the Phoenix family, is already making a name for itself.

The schedule may be on the short side, but the indoor track squad still competes with the same fire that every Elon team possesses.

The season began at Appalachian State. Jessica Burgeson helped pace the Phoenix with an eighth place finish in the 55m hurdles, a ninth in the triple jump and a 16th in the 55-yard dash. A pair of freshmen, Jennifer Clark and Courtney Tomaini, gave Elon fifth and sixth place finishes in the 800m. Kimberly

2002 Schedule

Appalachian State Meet

Virginia Military Inst. Meet

Adams finished sixth in the high jump and Nia Douglas placed 10th in the weight throw.

As a team, the Phoenix was seventh in the distance medley and 11th in the 4x400 meter relay.

Future Big South foe Virginia Military Institute was season stop number two.

At the VMI meet, Burgeson again paced the Phoenix, placing in three events -- the 55m hurdles (sixth), the 200m (20th) and the triple jump (14th). Jessica Hayden (18th in the 200m), Carla Madeo (11th in the 400m), and Douglas (eighth in the weight throw) also turned in strong performances for

Elon.

T h Phoenix improved in

relay to finish seventh, while placing eighth in the distance medley relay.

Then, it was on to the Big South Conference Championships. Phoenix rounded out the finishing order, placing eighth with six points.

Individual performances continued to highlight Elon's season. Burgeson continued her strong season, finishing 13th in the 60m dash, 20th in the 200m dash and seventh in the 60m hurdles. Hayden backed up her showing at VMI, beating her own time in the 200m dash to finish 18th. Madeo

Freshman Jessica Hayden gives it everything she has during a track and field practice at Burlington Memorial Stadium. Hayden competed on the indoor track and track and field squads this season. Everyone in the Phoenix track programs is looking forward to the opening of the Irwin Belk Track next to Rhodes Stadium. An oncampus facility will allow Elon squads to practice without travelling and to host some of their own meets.

finished her season strong, placing 17th in the 400m dash. Lillian Cian placed 13th in the one mile-run and 16th in the 300m run. Grace Bel ended her season on a high note with a seventh place finish in the 500m run.

As a team, the Phoenix finished eighth in both the 4x400m relay and the distance medley.

Season two is in the books for women's indoo The track. squa continued to build or their early success and can look for more in future seasons.

Indoor Track & Track and Field -- 1st row: Carolynne Erwin, Kathleen Frey, Carla Madeo, Courtney Tomaini, Meredith Weavil, Erin Wallace, Jeanne Davis 2nd row: Dionne Guy, Jessica Hayden, Kim Adams, Nia Douglas, Krystal Jenks, Patti Schmitz, Jessica Burgeson, Becky Weaver, Lillian Ciany Not Shown: Amanda Davis, Amanda Davis, Clara Urquhart, Kari Burger, Amy Miller, Grace Bell, Miriam McLeod, Jenny Clark, Stephanie Wood, Emily Gray, Theresa Krawczyk, Head Coach Jackie Sgambati

2/2-3

WOMEN'S TRACK & FIELD FROM United in the spirit of sport

Women's Track and eld, much like its indoor ster, is only in its second ason as a member of the

noenix family. Also, like eir indoor partners, they e making some noise in e Big South Conference. In the season opener, essica Burgeson carried er indoor momentum itside, claiming first place nishes in the triple jump nd 100m hurdles. The on squad received strong erformances from Jessica

nd Dionne Guy (eighth in e 100m, third in the long mp). Patti Schmitz took est place in the javelin row while Lillian Ciany abbed third in the 1500m

ayden (fifth in the 100m)

In the relays, the Phoenix ook second, third and urth in the 4x800m, x100m and 1600m spectively.

At Davidson, individual erformances highlighted ne meet. Noteworthy howings were: Kim dams (second in the high ımp), Carla Madeo and ecky Weaver (second and nird in the 400m hurdles) nd Carolynne Erwin (third the 3000m, fifth in the 00m). Coach Jackie gambati's squad brought ome 13 top-five finishes hen the day was done.

The relay teams took econd in the 400m and hird in the 1600m. Burgeson again had a strong showing, taking second in the 100m hurdles and third in the triple jump.

The Phoenix continued to scorch through the season, garnering 10 topfive finishes at the Liberty Invitational. Pacing Elon were Erwin and Weaver, who took first and second in the steeplechase 3000m respectively.

Madeo continued her strong spring, finishing second in the 400m hurdles, while Adams finished second in the high jump. The Phoenix 400m relay team, consisting of Meredith Weavil, Madeo, Hayden and Guy, sprinted to a third-place finish.

At Big South foe Coastal Carolina, Elon picked up a pair of first place finishes, courtesy of Erwin and Madeo. Erwin took top honors in the 3000m run, Madeo in the 400m hurdles. Overall, Phoenix took 22 top-five finishes in 18 individual events, including 12 topthree finishes.

Weaver (3000m run, 400m hurdles) and Erwin (800m run) collected runner-up finishes for Elon. Also bringing home a second place finish was the 1600m relay team of Jenny Clark, Madeo, Erwin and Courtney Tomaini.

After strong showings throughout the season, it was time for the Big South Conference Track & Field Championships. Erwin ran to a third place finish in the 3000m steeplechase, achieving allconference accolades. Weaver just missed the honor, finishing fourth.

Burgeson dashed to a fifth-place finish in the 100m hurdles, qualifying seventh in the preliminaries with a personal-best time. Burgeson also received Academic All-Big South honors for the second time in her career.

Just as quickly as it began, the track and field season was over. The Phoenix continued to build on their fledgling program,

which can only expect more top-five 3/23 finishes and 4/6 wins in the 4/13 4/19-20 future.

Sophomore Jessica Burgeson demonstrates excellent form clearing the hurdle. Another double-duty trackster, she competed on the indoor track and track and field squads. She had strong performances during both seasons, often helping to pace the Phoenix in individual meets. Burgeson had the honor of being the only Phoenix representative at the prestigious 2002 Adidas Raleigh Relays on the Paul Derr Track at North Carolina State University in late March. Burgeson won her seven-runner heat in the 100m hurdles. She placed 52nd overall in the 74runner field.

by Erik Furlan

Photo courtesy of Elon Athletics Junior Meredith Weavil focuses on the path ahead and her target, perfecting her pole vault form. Weavil also specialized in the long jump and the 200m.

BASEBALL Reuniting 100 years of history

Elon Baseball is not ranking. Elon defeated your typical athletics program. The Phoenix soared onto the national scene this season, turning heads and setting records.

Kicking off the season in February, Elon went 4-4, picking up wins against Marist, Campbell and Delaware State. In the early part of the season, the Phoenix faced one of its many nationally ranked opponents, Wake Forest. In this first meeting of the season, Elon fell to the #12 Demon Deacons.

When Wake Forest came to Latham Park. they sported a top ten Wake Forest for its fourthstraight win.

The Phoenix won the season series against instate rival Duke, taking game two in Durham and the get-away game at

Elon proceeded to win 10-straight games, taking a 12-game win streak into Coral Gables, FL to face defending national champion Miami. The Phoenix won the series, taking the first two games and extending their win streak to 14. The Hurricanes took game three 4-5.

Elon rolled toward the

end of the season, picking up key conference wins against High Point, Radford, Coastal Carolina and Charleston Southern.

Elon closed out the regular season with four straight wins, including an 8-6 victory over #1 Clemson in South Carolina.

With a 33-19 record, 13-8 in the Big South, second-seeded Elon openede the conference tournament against seventh-seeded UNC-Asheville. The Phoenix advanced, winning 10-5.

The road to the championship game got tougher from there. Sixth-seeded Winthrop avenged the regularseason sweep and sent the Phoenix to the losers bracket with a 5-9 loss. Elon battled the fourthseeded Liberty. The Flames won 12-3.

With a 34-21 record overall and a regular season runner-up finish in the Big South, the Phoenix received a bid to the NCAA National Baseball Tournament.

First up for the thirdseeded Phoenix was East Carolina. After a regular season split against the Pirates, second-seeded East Carolina survived the opening round against Elon, 14-7. Next was a do-or-die game Georgia against Southern. Elon went two-and-out in the Regional, falling to the Eagles 2-6.

Post-season honors for the Phoenix included Senior firstbaseman Jim Swenson (Baseball Scholar-Athlete received Big South All-Academic Team). Senior pitcher/outfielder Whit Bryant, Elon's all-time leader in career hits, career doubles and career runs (First Team All-Conference) in outfield. Senior outfielder Jason Tuttle (Second Team All-Conference) along with sophomore pitcher Matt Garner.

(In numerical order) Jason Tuttle, Chris Maggi, John Schaefer, Jim Swenson, Robbie Smith, Brian Ingram, Ross Cook, Taylor Stewart, Morgan Frazier, George Brandner, Barry Tejeda, Ricky Callison, Braeden Baldwin, Adam Acosta, Thomas Dodson, John Gann, Wes Miller, Mike Fratoe, Kevin Regan, Gary Morris, Tyson Blocker, Aaron Pugh, Whit Bryant, Luke Pangle, Mike Puccini, Logan Parsons, Matt Garner, Brad Whitman, Wes Smith, Jeff Mayo, Justin Weeks, Chad Britt, Head Coach Mike Kennedy, Asst. Coach Brendan Dougherty, Asst. Coach Greg Starbuck, Asst. Coach Willie

ght) Senior outfielder Jason Tuttle stands ready at the ste during action at Latham Park. Tuttle started all 52 games the Phoenix this season, posting a .342 batting average. finished his Elon career with high marks, including a 88 on-base percentage and 36 stolen bases, which lead the m. He was also one of only six players on the baseball and to score a perfect fielding percentage. Tuttle lead the m during the regular season in runs scored (58), hits (75) and with Whit Bryantl, total plate apperances (247) and at s (219).

elow) Freshman pitcher Justin Weeks shows good form er firing one over the plate at Newsome Field at Latham it during a key conference game against Coastal Carolina. teks, a walk-on, finished the regular season with a 2-3 rord and a 4.07 ERA in 15 appearances. This solid hurler aged 48.2 innings for the Phoenix during the course of season.

ottom) Members of the Phoenix baseball team, including organ Frazier (#10), Thomas Dodson (#17) and Taylor wart (#9), celebrate a successful inning. Supporting their mmates, hanging on every pitch were characteristic of Phoenix all season long, staying together as a team.

SOFTBALL

United in pursuit of respect

by Erik Furlan

The winds of change were blowing down at East Field. Elon softball began a pair of traditions, hosting two tournaments -- the Elon Invitational and the Phoenix Classic. Second-year head coach Patti Raduenz brought in former University of North Carolina pitching standout Radara McHugh as her assistant. The 14player squad for 2002 featured six freshmen, all of whom saw action this season.

Improving on the 16-41 finish of 2001 proved to a difficult task early on for the Phoenix. Elon dropped their first 12 contests, eight in tournament play, before notching win number one in game two against Furman.

Rain gave the Phoenix over a week without games before the Inaugural Phoenix Classic. The time off combined with a home crowd was just what Elon needed. The Phoenix joined Harvard as the only teams to finish the tournament undefeated.

A sweep of North Carolina A&T had Elon softball at 7-15 heading into their spring break road trip. Eight games in seven days across Georgia and Alabama meant this road trip was business.

Elon's tournament troubles returned -- the Phoenix went winless in the Georgia Tech Buzz Classic. The squad split through their way Alabama to finish out the trip, picking up a win against the Troy State University Lady Trojans and future Big South opponent Birmingham-Southern College.

After doubleheader contests against the University of North Carolina and Samford, Elon stood at 9-25 to start conference play. The Phoenix made the most of a "fresh start" and scorched their way to the top of the Big South, sweeping Radford and Liberty for a 4-0 start.

A split at Winthrop set up a first-place showdown at East Field between Elon and Coastal Carolina University. The Lady Chanticleers swept past the Phoenix to clinch first place in the Big South. Elon took sole possession of second place with a split against Charleston Southern University in the season finale.

The Phoenix finished the regular season 6-4 in the Big South after going 1-9 last season. Going into the tournament as the second seed, Elon had the luxury of by-passing the opening round with their runner-up finish.

The Phoenix could not take advantage of their seeding. In a tournament marked by upsets, Elon went two-and-out, losing to third-seeded Radford and fourth-seeded Winthrop.

The turn-around year for Phoenix softball brought season awards. Sophomore rightfielder Suzanne Speed was named to the Big South All-Academic team. Gustin was named to the Second Team All-Big South. Senior first baseman Pam Brock and freshman leftfielder Dani Concepcion received First All-Big South Team honors. For directing the "rise from the ashes" to finish second in the regular season, Elon head coach Patti Raduenz was honored as Big South Coach of the Year.

first baseman Pam Brock stands ready. Borgaard was a twotime recipient of the Big South Pitcher of the Week honor
in 2002. A co-capitan along with senior pitcher Amanda
Zentner, Brock rewrote the softball record books. She holds
the single-season RBI record and is the all-time leader in
career RBI, career home runs and career games played.

Freshman catcher Natalie Layden quickly scans the field after saving Elon a
run, tagging out an East Carolina runner. Layden began the season at third
base. She made the move to behind the plate just before spring break after
starting catcher Lori Notaro suffered an injury to her face.

ght) Freshman leftfielder Dani ncepcion checks the batter as she takes from second. One of the six freshmen his year's squad, Concepcion was a threat the basepaths and as the lead-off hitter the Phoenix. For her efforts this season, ncepcion received the C.V. "Lefty" ggs Scholarship for heart & hustle.

r Right) Sophomore shortstop Jenny stin watches the action intensely, ready anything that comes her way. Gustin ved over from third base to shortstop 002, adding defensive adaptibility to her ensive prowess. Her season came to an y end as she suffered a torn ACL against arleston Southern, forcing her to sit out conference tournament.

low) In a ritualistic sign of unity, Elon ball huddles up after coming off the d, stoking the fire within before going offense. With only 14 players on the ad in 2002, everyone was vital to the cess of the team.

MEN'S & WOMEN'S GOLF United in an historical sport

by Erik Furlan

"A tale of two seasons."

The only Elon athletic teams to span both semesters, taking the winter off, the Elon golf teams work all year on their game, one of few where the individual can be as important as the team.

Men's golf opened their 2001-2002 season playing host, finishing third out of 20 teams in the Sea Trail/Elon Invitational. The Phoenix men continued their solid fall play, collecting two more podium finishes and a fifth.

The Phoenix men continued their title pursuit with a second place finish at the Winthrop Invitational in March, their third-straight runner-up finish.

The Phoenix claimed their first tournament title of the season from the field of 14 at the Citadel Invitational.

Elon collected back-toback first-place finishes at the William & Mary and Campbell tournaments.

A strong final round, led by a four-under 68 from Andrew Koenig, pushed Elon to the William & Mary title.

host Campbell by one stroke to take their third title in four tournaments. J.D. McNeill paced with Phoenix with a two-round total of 143, finishing third overall.

Men's golf opened the Big as second before finishing the Winthrop, but ahead of 2001 champion Charleston Southern.

Post-season awards for the Phoenix men were Academic All-Big South honors for Ryan Loucks, and Big South Rookie of the Year honors for James Hockman, only the achieve that honor in any sport.

Women's golf scorched their way to four-straight topthree finishes, including two tournament titles in the fall. Hopes were high heading into the spring half of the schedule.

The Phoenix women struggled in the spring, starting off 2002 with finishes of 17th, 6th, 4th and 13th. Strong individual performances highlighted spring play, including a third-place finish overall for Laura Orlen at the UNC-W Invitational.

Elon finished out the spring campaign with backto-back third place finishes.

Sammy Sue Wilson and Kelly Knoepffler notched top-10 performances to pace the Phoenix to third at the

Campbell Invitational.

Knoepffler 09/07-09 s c o r e d 10/15-16 another top-10 showing, 02/25-26 pacing Elon to 03/11-12 03/16-17 third at the 03/25-26 Western 04/01-02 04/08-09 Carolina 04/14-16 Invitational.

Freshman Morgan Olds eyes her putt towards the cup during competition. Part of a young golf program this season, women's golf tore through the fall half of the schedule and continued to have good finishes in the spring.

t row: Michelle Williams, Sammy Sue Wilson, Alison Mangini, Katie Palermo, ura Orlen, Morgan Olds, Kate Polchlopek, Becky Poindexter, Amy Johnson, ntherine Knoepffler Not Shown: Head Coach Chris Dockrill Photocourtesy of Elon Athletics

1st row: Ryan Loucks, Andrew Koenig, Brett Diakon, Matt Crews, Mark Hunsicker, J.D. McNeill, James Hockman Not Shown: Head Coach Bill Morningstar Photo courtesy of Elon Athletics

Photo courtesy of Elon Athletics (Above Left) Ryan Loucks takes time out of his busy golfing schedule to "strike a pose" for the press outside Alumni Gym. As you can see here, even for just a picture, a good, complete follow-through is key to a good golf swing.

(Above Right) Katherine Knoepffler takes her time, lining up her crucial putt.

Concentration and attention to detail are important skills to master the game of golf. The women's squad faired well early in the season during the fall, and closed out the 2001-2002 season with a string of top-five finishes.

(Above) Senior Laura Orlen drains an important putt as her competitor looks on. Orlen

(Above) Senior Laura Orlen drains an important putt as her competitor looks on. Orlen closed out her Phoenix career strong, pacing the team in several tournaments this season. The lone senior on this year's team, Laura was instrumental in helping to lead the young women's golf team throughout the season.

Photo courtesy of Elon Athletics

Sammy Sue Wilson shows her skills, blasting out of a green-side bunker during one of the many matches this season. Although a bunker may be considered a hazard, ammy Sue shows that good form, skill and practice can turn a shot in the bunker into trip to the beach.

MEN'S & WOMEN'S TENNIS United in "love"

by Erik Furlan

Phoenix tennis stretched from Alabama to Virginia during the 2002 season, with matches starting in February and running to April.

The men's tennis squad finished one notch above .500 for the year, posting a 11-10 record overall.

Individual performances were the highlights of the season for Elon. One such performance of note was freshman Pramote Malasitt's come-from-behind victory over defending Big South Conference Player of the Year Tomas Miho in a 5-2 loss to Charleston Southern at the Jimmy Powell Tennis Center. The Buccaneers are four-time defending Big South Champions.

What came to be known as the "Phoenix freshmen phenomenon," Malasitt, Nathan Lefevre and Mikael Houlst claimed all three of the Phoenix's singles wins in a 4-3 loss to non-league foe Davidson.

The squad did pick up a late-season victory over Campbell University. Houlst

and Richard Dutton helped lead the Phoenix charge, winning key tiebreakers for a 4-3 Elon win.

Phoenix men's tennis went into the Big South Championships as the fifth seed, hosted by Elon for the fourth-straight year. Coming off a season-ending loss to High Point, the Phoenix again faced the Panthers in the opening round. Elon bounced fourthseeded High Point from the tournament with the only upset win of the opening day. The Phoenix faced Winthrop in the semi-finals, where their season came to an end with a 5-1 loss.

Post-season honors for Elon men's tennis centered around the "fantastic freshmen." Malasitt and Lefevre both were tabbed All-Big South in singles. The top pairing of Malasitt and Dutton was declared all-conference in doubles. Dutton also received Academic All-Big South honors.

Women's tennis opened their season on a down note,

losing six of their first seven matches. Yet, only one of those was against a Big South opponent. The Phoenix picked up early wins against Cleveland State and Robert Morris before really diving into conference play.

March went out like a lion for Elon, with the women's squad scoring three straight victories, two against Big South teams. Diana Pulupa, Aubrey Rhoads, Molly Cade and Jessica Fisher all claimed singles victories to lead the Phoenix over the Highlanders 5-2 for their second-straight league win.

Wins against Liberty and Radford and a sweep of North Carolina A&T had the Phoenix two wins from .500 at 5-7. Unfortunately, five-straight losses ended the season for Elon. Rhoads and Cade claimed singles victories in the loss to

C harleston Southern. Cade claimed Elon's only singles win in the loss to Wingate. The Phoenix was swept in their last three contests.

In the Big South Championships, the Phoenix women had the fifth seed, but their conference struggles continued. Host Elon was bounced out of the tournament by fourth-seeded Charleston Southern, to finish 5-13 on the year.

The Phoenix was not without post-season honors. Rhoads was selected to the Academic All-Big South team. Rhoads finished the regular season with a 7-10 record at No. 3 singles, a 3-2 record in the Big South.

With the men's squad not having a senior and the women's team losing only one, look out for Phoenix tennis in the coming seasons The fledgling Phoenix will be a force to be reckoned with in the years to come.

p) Sophomore Jennifer Fulmer makes use of her powerful two-handed backhand ring competition at the Jimmy Powell Tennis Center. A starter for the women's tennis and in the number one slot in both singles and doubles, Fulmer helped lead the benix into battle throughout the season.

ottom) Sophomore Lindsey Kinnaird eyes her opponent as she prepares to serve. A ster for the women's tennis team (number four in singles and the number two in jbles with Aubrey Rhoads), Kinnaird played a role in Elon's contests all season long.

Photo courtesy of Elon Athletics

(Top) Junior Richard Dutton smacks his opponent's shot from the baseline with a strong forehand. One of the veteran leaders on the men's squad, Richard received all-conference honors in doubles and Academic All-Big South distinction.

(Bottom) Sophomore Aubrey Rhoads uses some of her powerful baseline play, returning one of her opponent's shots. A walk-on, Rhoads played her way to the number three singles slot for the season. Come season's end, she received Academic All-Big South honors, with a 3.44 cumulative GPA in business administration.

CHERLEADING CHERLEADING Uniting the Phoenix Phanatic by Erik Furlan

One constants in a sea of change in Phoenix Athletics has been Cheerleading. Now part "Phoenix the Phaithful," both cheering squads support the Elon football and basketball teams throughout the season.

A mainstay on the sidelines of Rhodes Stadium and the floor of "The Nest," cheerleaders are an integral part of Elon Athletics, and are as much of an athletic team as any other member of the Phoenix family.

They the connection between the stands and the field. It is routines and stunts a their duty to make sure the fans in the stands are as excited and interested in the game action as they are. A duty they accomplish with style, grace and flare.

As much preparation goes into the cheering game without them.

does the game itself Hours of practice training and playing through the pain make all the cheerleader athletes.

No one can imagine football or basketbal

(Left) Helping to cheer on the crowd at Rhodes Stadium, the all-female squad gets the crowd to spell E-L-O-N. For the winter season, women's basketball was where fans coul find the all-female cheering squad. They too had long hours of practice, perfecting tosse and tumbles to entertain and amaze the "Phoenix Phaithful."

(Below) Members of the co-ed cheering squad demonstrate their skill, coordination an balance, building this stunt on the sidelines of McKinnon Field. Grace under pressure and performing dangerous stunts were hallmarks of the squad this year.

DANCE TEAM PHOE inited, always and forever

Like their sisters in irit, the Elon Dance am is as much a part Phoenix football and isketball as points are. This year posed a new allenge to the team. uring football season, ey had to choreograph eir routines to the ire of the Carolinas." award-winning

uad had no trouble

with this new twist in their performance.

Where they really got a chance to shine is in "The Nest." A regular part of the halftime show at men's basketball, the Dance Team spends hours choreographing and rehearsing their routines. Anyone who saw a basketball game this year knows why the squad is award-winning.

The year was not without hardships. Freshman Ann Marie Leonard was seriously injured in a car accident mid-season. Leonard had been involved in choreographing several routines and was one of the most-liked members of the squad.

by Erik Furlan In touching support of their fallen teammate, the next halftime show at "The Nest" after the accident was dedicated to Leonard. There may have been only nine people physically on the floor of Alumni Gym, but anyone could tell there definitely were dancers for the show.

(Left) Members of the Elon Dance Team show off some of their new choreography with the "Fire of the Carolinas" during halftime at Rhodes Stadium.

(Below) The squad fires up the crowd from the stands, joining the marching band in support of Elon Football.

(Far Below) Kirsten Eckstrom, Leslie Crowe, Sarah Beggs and Carolyn Donnee are in perfect sync, amazing the crowd at the pep rally celebrating the new stadium.

The ladies of Sigma Sigma Sigma Sorority united to paint the well known rock that stands in the Greek courts in front of the Kappa Alpha house. The rock was painted with the sorority's letters $\Sigma\Sigma\Sigma$ and the letters B.Y.O.B., their catch phrase on Bid Day.

Erin Lawless and her friend's stomachs were full after devouring plates of spaghetti and salad at the Habitat for Humanity Spaghetti Dinner. The dinner was held to raise funds for the spring service trip to Alabama. Habitat for Humanity builds homes worldwide for the less fortunate.

GREEK

BROTHERS AND SISTERS TOGETHER AS ONE

In the fall, the Greek Life office offered an event for female students interested in joining a sorority. A number of women from each sorority gathered in Moseley to meet the prospective students. Since the event's goal was to promote Greek Life as a whole, the sorority sisters did not wear their individual letters, and instead each wore a shirt with the logo of "The Greek World" on it, a play on the popular television show, "The Real World."

Here a princess gets a little taste of a doughnut at Trick-or-Treat on Greek Street, an event held by Greek Life celebrating the Halloween holiday. Elon Faculty and staff were invited to bring their children to the Greek courts to participate in the activities offered. Each court featured a different theme, from ghouls and goblins to cops and robbers.

Photo by Lifetouch

This year Elon's newest sorority, Alpha Chi Omega, had their first chance to participate in Homecoming. Pictured here with their float, the new sisters show their excitement at being able to be a part of the week. Alpha Chi Omega placed fourth in the Homecoming events overall.

Photo by Laura Williams

A pair of dancers from Elon's Finest perform to an inspirational song at the Miss BCS pageant. Elon's Finest is a popular dance group that performs to various styles of music ranging from classical music to hip-hop.

Terrell Davis of Alpha Phi Alpha Fraternity shared information with students Yolanda Davis and Crystal Webb regarding African-American Greek life at Elon.

Photo by Laura Williams

Renita Leek was awarded Miss BCS for the 2002 school year. Miss BCS is sponsored by Elon's Black Cultural Society and is designed to display the talents and accomplishments of African-American students.

AIMING FOR THE TOP

Members of Elon's musical group Twisted Measure performed at the Take Back the Night Rally. The ladies sang a song that reached out to the hearts and minds of people who were victims of domestic violence.

A pair of students from Habitat for Humanity prepare spaghetti dinner plates for guests. The dinner was held to sponsor the organization's spring service trip to Alabama.

EQUESTRIAN

First row: Robyn Baretincie, Ashley Condict, KC Collins, Melissa Jimenez, Caroline Rausey, Rachel Smith, Allison Mordas

Second row: Vanessa Robinson, Sarah Slater, Emily Aiken, Keira Wickliffe, Miranda Mosquera, Courtney Johnson, Lindsay Jennings Elon students join
Campus Recreation for a
weekend horseback ride
in the mountains of West
Virginia. The students
were able to explore
nature's beauty while
becoming better
acquainted with the
horses they were riding
and the fellow students
they were riding with.

The brothers of Kappa Sigma fraternity played flag football in the Campus Recreation intramurals. $K\Sigma$ walked away as the first place champions of the men's division.

Beck Pool is a popular spot for Elon students. Members of the cheerleading squad take a quick break from practice to join in a fun game of water basketball.

The Turkey Trot, an annual marathon sponsored by Campus Recreation, gathers canned goods for families that are in need during Thanksgiving. Winners for the women's division were Vanessa Kitchen, Kari Burger and Becky Weaver.

CAMPUS

WE PLAY TOGETHER, WE WIN TOGETHER

MELTING

UNITED UNDER THE OAKS

La Festival De Latino, sponsored by Elon's Spanish Center, allowed local Hispanic merchants to put up vendors at the festival. The vendors sold clothing and jewelry, as well as mouth watering Spanish foods.

Photo by Brian Viebrooz

The Annual Winter Snowball was a huge event at Elon. Sponsored by the Student Government Association, the event gave students an opportunity to get dressed up and have a little fun on campus.

Victoria Winsor, an office assistant for the Center of Leadership and Development, helps to prepare some special games for the sibling activities during Family Weekend. The sibling activities helped to keep the younger brothers and sisters of students occupied while the parents attended meetings and met the professors of their children.

Photo by Felicia Massey

The Red Cross Blood Drive sponsored by Elon Volunteers invited students to donate their blood in order to provide blood for individuals in need of blood transfusions. Giving blood was a breeze for Allsion Grimes as she patiently waited for the nurse to finish drawing her blood.

Madeleine and Stephanie Orsini make a gift for their sister Catherine (Elon Student) during sibling activities at Family Weekend.

PHI PSI CLI

THE YEARBOOK FAMILY

Kudos to our wonderful Editor-in-Chief, Ashley Regan! Ashley has been a blessing to the yearbook staff. She is always there to give a helping hand or support when needed.

Photo by Felicia Massey

The yearbook executive staff members listen to Assistant Editor Katie Sherman during the staff retreat in Myrtle Beach, South Carolina. The group met for a weekend in early fall to form ideas for the 2001-2002 yearbook. In addition, it was a great chance for the staff to bond and have a little fun as well.

Will Phi Psi Cli win first place? Ashley Regan and Erik Furlan display the yearbook's banner with smiles at the College Coffee during the Homecoming Competition. Each participating organization was asked to create a banner promoting the theme of the week.

Photo by Felicia Massey

Photo by Laura Williams

"Are you interested in becoming a section editor for the Yearbook?" "Do you like to take pictures?" These questions and others were asked of passing students by staffers manning the Phi Psi Cli table at the Organization Fair. Ashley Regan, Katie Sherman, and Katie Harrison promoted Phi Psi Cli with the distribution of copies of the 2000-2001 yearbook and by encouraging students to sign up for both leadership and regular staff positions with the yearbook.

Mini Mag Mini. Nag Mini. N

Dealing With a Tragedy a campus and a nation unite

It was an event that changed the history of America forever. Citizens rushed to give blood and restaurants donated food to volunteer workers and many sent donations. The American flag adorned cars and businesses everywhere. Like the rest of the nation, Elon University was affected by the terrorist attacks on the World Trade Center. Dorms were decorated with flags, and the SGA hosted a candlelight vigil to remember the victims of the attacks that about 400 students attended. On September 12, 2001 classes were cancelled and a community meeting led by President Leo Lambert was held in the Koury Gym. Many students gathered to hear Elon faculty talk about the events that took place. Freshman Lauren Cash commented on the atmosphere of Elon during this tragic time, "Everyone on Campus pulled together and we became one."

Sticking together helped our community deal with the life-altering change of these events. Security at airports tightened and security at Elon during large events increased as well. The world changed, and America and its people came together to overcome the obstacle put before them.

Leadership at Work.

President Bush examines the devastation at the Pentagon in Washington, Wednesday September 12, 2001. Accompanied by Secretary of Defense Donald Rumsfeld, left, Bush thanked rescue workers for their efforts as he stood in front of the damage created by the highjacked airliner that slammed into the building on Tuesday.

Elon Discovers Tragedy.

Elon students gather in The Zone as local WXII Channel 12 reports on the tragic events of the day. With an abundance of students from the Metropolitan area, near the Pentagon crash, and from New York, near the World Trade Center Towers crash, many students were worried for a close one, be it friend or family.

September 11, 2001

New York City skyline is shown in 1990 with World Trade Center's twin towers in the center.

Racing Away.

People run from the collapse of World Trade Center Tower Tuesday September 11, 2001 in New York.

Showing Support.

A candlelight vigil was held on the Promenade in the Brooklyn borough of New York, Thursday, September 13, 2001. People prayed and sang against a skyline which has long been dominated by the twin towers of the World Trade Center.

A Skyline Destroyed.

Students continue to gather in the Moseley Center to view the tragic events portrayed on television LIVE via satelite. The visual representation shook many students as the New York Skyline crashed from its spectacular site.

Showing Support.

Talented Elon students belt out their own remixed melodies in a close-knit group of singers. The elite Twisted Measure a cappello group performs in competition and at Elon events by combining hip-hop and mainstream tunes with a unique twist.

Snake Spears.

Britney Spears performs with a snake during the finale of the 2001 MTV Video Music Awards September 6, 2001, at New York's Metropolitan Opera House.

The Big Time. Phil Elkins and the WSOE staff, the future nationally-acclaimed broadcasters of the 21st Century. These students are the ones that bring the entire Elon community the footapping tunes of campus radio, 89.3 WSOE.

Members of the pop music group 'N Sync accept their Teen Choice Single Award for their song "POP" at the Teen Choice Awards 2001 in Los Angeles. The 'pop music boyband' trend continued to sweep Generation X in 2001-2002

Teaching an Old Performer New Tricks.

Madonna performs during her first concert of her new tour Saturday, July 21, 2001 in Philadelphia. Many artists made 'come-backs' in 2002, including Cher, Blondie, and more.

VACO

Andrew Thunder, Steve Dawson, Paul Ottinger, Jarrett Nicolay, and John Patrick, Virginia Coalition, have been one of the Elon population's most closely followed local bands in the past years as the group continues to revisit campus.

Fifteen Minutes of Fame

from pop to alternative, Elon brings talent home

From the projection and booming voice of one sophomore red-head to the emphatic keyboarding of Virginia Coalition, Elon has been raking in talent for years now. The emphasis that Elon puts on student devlopment has given every student more opportunities to hear the words of skilled artists or create their own masterful artistry for all their peers to revel in. From Twisted Measure concerts to WSOE, Elon students are given a chance to begin their careers. They begin by learning the art of technology and are inspired by being able to attend nearby and campus concerts where their dreams are visualized. Pop music has taken over. It's no question these days why it can be seen everywhere, but there are still those hometown fantasies making it big as they continue to play at the Lighthouse Tavern with Five Gallon Jug. As the years continue to rock and roll on, the youth bands and a cappella groups will always be there, but for now our music is made for us, by us.

I Want To Be Like Mike.

Washington Wizards' Michael Jordan drives on Detroit Pistons' Michael Curry as Jordan plays in a Washington uniform for the first time. The Pistons beat the Wizards 95-85 in a preseason game before a sellout crowd at The Palace.

Balls Flying Everywhere.

San Francisco Giants' Barry Bonds hugs his son Nikolai, as he is congratulated by teammates after hitting his 7th home run of the season. Bonds tied the home run record held by Mark McGwire.

Simply #1
Phoenix Athletics Soar to New Standards

Elon University goes 'Big Time' and look what happens, so does Athletics. As Elon steps up to the challenges of being a larger university with a small-school atmosphere, Athletics stepped up to challenge not just the school but themselves. In every respective sport the newest and most improved players have transcended last year's records to demonstrate exactly what they are capable of. They are capable of taking on the world. But they are 20 and invincible, aren't we all? With those odds we're definitley in the running. Then again, even Elon's most amazing athletes have some competition. The ever-alive Michael Jordan taking over the Washington Wizards in 2000 and playing on the MCI Center's court this season. Barry Bonds tying McGuire for the homerun record. The Williams twins defeating the US Open. Then there's Whit Bryant, with records that have topped any Elon baseball player that has come before him. And don't forget about Holly Andrews taking her Women's Basketball team to the top. With so many more talented athletic stories it is allowed to say, "Watch out World, Here We Come."

Stepping Up.

Jason Tuttle, Team Captain, enters the season as the everyday centerfielder and leadoff hitter...His 83 hits set a new single-season mark, 18 hits behind Whit Bryant for career record and sits 14 runs shy of becoming the career runs leader at Elon.

Singles Doubles.

Venus Williams right, and her sister, Serena, pose with their trophies after their US Open womens singles final in New York. Venus defeated Serena 6-2,

Jennifer Fullmer, sophomore from Austin, Texas, has brought optimism to the 2001-2002 Women's Tennis Team. With her charisma and determination she is a vital attribute to the team.

dnight Madness.

n's favorite forward takes rim in a spectaular dunk at Midnight Madness. The Phoenix n gained intense and measurable participation by fans in their fantastic debut.

Business Bus

Jamie

Thank you for bringing so much joy into our lives. May all your goals and dreams come true.

We are so proud of you.

Our love, Mom, Dad and Rachel

Charles F. Kaiser IV

Dear Eric,

We are so proud of you and love you so much Love, Mom, Dad and Brooke

Dear Cindy,

Congratulations, may your future endeavors be all that you hope for.

We are very proud of you and love you very much!

LOVE AND KISSES Mom, Annmarie, John, Jeanne, Mike, Diane, Stephen and Micayla

Congratulations Becky!

We are so proud of you and all that you have achieved! As you begin your line 'in the real world' we wish for you; God in your life always, happiness and success in all you do; peace, joy, love and contentment each day of your life. We love you very, very much! Mom, Dad and Adam

To everything there is a season, and a time to every purpose under the heaven: Ecclesiastes

3:1

Mindy Lea Carden

We are so very proud of you and all that you have achieved throughout the years. You are such a beautiful, talented and intelligent young lady with a heart of gold. Have fun in law school next year. Try not to work to terribly hard!

We love you so much! Congratulations!!

Love,

Mom, Dad and Snuggles

Trust in the Lord with all your heart and ean not on your own understanding; In all your ways acknowledge Him and He will make your paths straight."

Allan, you have always been a shining xample of who God would like all us to be like, and we are so proud to have the rivilege of being part of your life. We love you more than words can ever say!

Mom, Dad, Bryan and Julie

MICHELLE!

WHAT A WONDERFUL ACCOMPLISHMENT! YOU ARE SO SPECIAL WE ADORE YOU

YOUR FAMILY

Time will never change the love WE share as sisters.

Time has changed our secrets and the pigtails in our hair; It has changed the silly arguments and the giggles that we shared.

It has grown-up make-believe, And leaving us with little else, it has slowly changed our dreams.....

I am so proud of you and admire you so much for all that you have accomplished. I love you so much. Love, Renee

YOU GO GIRL!!

Congratulations & Best of Luck Love, Michael

公

Your intelligence brought you success.
Your smile lights up a room.

However, it is your inner beauty of immense love and kindness that will change the world.

Wherever the road goes; may peace, love, health, happiness and success be forever yours.

We are so proud of you!

Congratulations, Mom, Dad, Renee & Michae

Congratulations, Katie

You've grown up to be the kind of person that we'd hoped you'd be. Mom and I are proud of you.

May you have many more years of happiness and success.

Love, Dad

May all your dreams come true!

We love you,

☆ Mom, Dad, Rachel, and Sarah

Congratulations

SARAH!

We are so proud of you. You will be successful at everything you do.

You bring joy to everyone you meet.

Love, Mom, Dad, Stephen, and Buster

The nearly 900 graduates gathered outside of Koury Center to pick up their seat number and head to Jordan Gym. While a few frantically looked for their seat at the last minute, others shared goodbyes up to the last minute before heading "under the oaks." It was during the processional to the oaks that the students realized they were out of order ...that took a few more last minutes to fix as the processional halted from the gym to West Residence Hall.

Commencement at Elon is all about attention to detail. People are no exception as Paula Zachary, secretary of Greek Life, puts the final touches on the regalia of Earl Danieley, Elon's president emeritus and chemistry professor, before he leads the way with the Elon mace. The mace is an Elon tradition in special ceremonies, leading the processional, born by the senior faculty member.

45 minutes later

college meets university

President Leo Lambert welcomes back Fred Young who was president when the class of 2002 entered Elon College. Graduating as the first class from Elon University, Lambert announced that each graduate will receive a gift -- an acorn ornament, symbolic of the acorn each new "university" student receives after the opening convocation ceremony. Next, professor John Sullivan offers a few preliminary comments to the graduates before they leave for the ceremony. Sullivan has been Elon's backup speaker for 22 years -- as long as many of the graduates have been alive. His two-decade wait in the wings received national attention with stories in the Wall Street Journal, on CNN Headline News and NBC's Today Show.

Under the Oaks

from 9:30am until noon

The stage in front of West Residence Hall came to life as the music initiated the march as the graduate students donning black robes made their way to the first few rows "under the oaks." Next, a flood of maroon robes began to fill the remaining seats surrounded by thousands of faculty, staff and guests.

Each one on the platform opened with initial remarks, setting the stage before the commencement speaker "finally" got his chance to speak.

"Well, it's been a long time coming," smiled Elon Philosophy Professor John Sullivan. "For you, for me, for Elon. You are the first class graduating from Elon as Elon University. Most of you know that I have been the backup speaker for about as long as you have

been alive. And during that time, Elon itself has felt at times like a backup college -- a backup to other colleges, a backup to other universities. But here and now, as I stand with you, and you stand with me, in the power of this family, I say, "Backup no more! We're the A-Team now!"

Sullivan continued his speech with a story of an ancient kingdom with a powerful bird, perhaps a Phoenix, that was released after a ruler died to land on the head of the next ruler. This new ruler was a slave.

Just as the slave didn't forget where he came from and kept his most valuable treasures to remind him how to treat people with concern and compassion as a ruler, Sullivan charged the graduates to let the stories he told remind them to do the same.
